About Me

With over a decade of experience managing automation system installations, including leading teams in robotics, software, mechanical, and electrical departments, I am now eager to transition into software engineering/DevOps space and build upon the technical skill set obtained from the successful completion of a Web Development bootcamp.

Education Background

WBS Coding School
Feb 2023 - June 2023
- Studied: Javascript, HTML React v6, CSS, SQL, Git, Bootstrap, Scrum, Express

Hillcrest High School
Aug 2001 - June 2004

Professional Experience

Heckert Engineering GmbH | Servicemitarbeiter
April 2021- March 2022 | Porsche & Mercedes; Stuttgart, Germany
- Mechanical installation of a production System for Paint Shop.

Premiere Automation | Mechanical & Electrical Coordinator, Mechanical Supervisor
February 2019– June 2020 | Mercedes; Charleston, SC
- Maintenance support of the Body Shop for the Mercedes Bens Van Line
- Overseeing the handling of production training & maintenance training
- Creation of process documentation for production line components

FFT | Mechanical & Electrical Coordinator, Mechanical Supervisor
August 2017- January 2019 | Mercedes; Charleston, SC, Volkswagen; Chattanooga, TN
- Manager for the Installation of Automated Production Systems
- Open communication with customers on project situations
- Creation and execution of project schedules

International Workers Group (IWG) | Site Manager : Formally Motion Industiral
January 2015 - July 2017 | Many projects all over the USA
- Mechanical and electrical installation
- Robot controllers Installation
- Pulling cable and panel termination
- Cable tray installation
- PLC installation

Jared Boyd

Software Projects

Windturbine Repair Website:

https://boydlakers15.github.io/Wind-turbine-App-Frontend

https://boydlakers15.github.io/Wind-Turbine-App-Backend

- Bootcamp Final Project
- App was built with Vite React , CSS, Node.js, MongoDB, Express and more.
- Website features include Employee login, Employee online status, live chat, work order creation and order status, pdf file creation of selected work orders
- Client application deployed to https://profound-dasik-d1357e.netlify.app
- Render deployed backend

Weather App:

- Weather app implemented using C# and API's
- Application was built in Visual Studio IDE

Professional Experience

Motion Industrial | Installation Manager

February 2011 - January 2015 | Many projects all over the USA · On-site

Mechanical and electrical installation
- Robot controllers
- Pallet racking
- Pulling cable and panel termination
- Cable tray installation
- PLC installation

King Rock Racing | Mechanical lead/ Racecar Driver

June 2009 – Jan 2011 | Salt Lake City, UT
- Team Leader for all mechanics of the Racecar
- Racecar driver for the team

Fire Services Inc. | Mechanical Supervisor

June 2004 – June 2009 | Salt Lake City, UT
- Installation of fire suppression systems

Certifications

- **Agile Software Development: Scrum for Developers (2018)**
  - Issued March 2023
  - Credential ID AbjB2-1in7B32yCQq6tWloyFKwkT

- **Build a Website with HTML, CSS, and GitHub Pages Skill Path**
  - Issued Mar 2023
  - Credential ID 640843676E

- **Learn JavaScript Course Codecademy**
  - Issued Mar 2023
  - Credential ID 6407213A31

- **Learn JavaScript: Error Handling Course**
  - Issued Mar 2023
  - Credential ID 6405B6EC31

- **Scrum: The Basics**
  - Issued Mar 2023
  - Credential ID AQnsYvg6YWJZSocQzjPPn-hKT6i

- **Learn Bootstrap Course Codecademy**
  - Issued Feb 2023
  - Credential ID 63FCB10088

- **Learn Git & GitHub Course Codecademy**
  - Issued Feb 2023

- **Goethe Deutsch Zertifikat A1, 2020**
  - Issued 2020

- **Siemens S7-1200 PLC and HMI via TIA Portal – 32 hour training course**
  - Issued 2020

- **Introduction to Programming: Java, C# - 20 hour training course**
  - Issued 2020

- **Learn React Router v6 Course**
  - Issued Apr 2023
  - Credential ID 642A8828F1

- **Learn SQL Course**
  - Issued Apr 2023
  - Credential ID 64350C13C7

- **Agile Foundations LinkedIn Online Training Courses**
  - Issued Mar 2023
  - Credential ID AarJIIeBH01cQ9hUXbn9TwrJ8QrC
